

CRT Ban – It's the Law!

It is now illegal in Minnesota to place computer monitors and televisions in the trash.

MN State Statute: 115A.9565

Effective July 1, 2006, a person may not place in mixed municipal solid waste an electronic product containing a cathode-ray tube.

A Cathode-Ray Tube (CRT) is the display device used in most computer monitors and televisions.

Televisions and computer monitors have been found to contain lead and other heavy metals. Waste Management supports environmentally responsible management of CRTs and suggests using:

Waste Management Trivia

- Q. Waste Management recycles more than 30,000 tons of aluminum per year. How much energy does this save?
 - A. Enough energy to run a TV for almost 6 billion hours. Recycling one aluminum can saves enough energy to run a TV for 3 hours
- Q. Waste Management recycles more than 2.5 million tons of newspaper per year. How many trees does this save?
 - A. 41 million trees.
- Q. Waste Management's Landfill Gas-To-Energy projects supply enough landfill gas to create more than 250 megawatts of green energy each year. How many homes does this power?
 - A. Waste Management's Landfill Gas supplies enough to power 225,000 homes or as well as replace about 2 million barrels of oil per year.

From everyday collection to environmental protection, Think Green.® Think Waste Management.

For simple, online solutions; Think Green.® Think Waste Management.

Information At Your Finger Tips

Upgrade Your Service Level

Waste Management has many service levels to meet your needs. It is easy to increase your service level to fit your families needs using the website.

96 Gallon

Holds 5-7 kitchen garbage bags per week.

64 Gallon

Holds 3-4 kitchen garbage bags per week.

35 Gallon

Holds 1-2 kitchen garbage bags per week.

Simple Scheduling Solutions

With the WM Online Services, scheduling can be done 24 hours per day from the convenience of your home.

No longer is it necessary to schedule extra pick ups, roll off boxes, on-call pick ups or yard waste pick ups during the day.

Schedule an Extra Pick Up

WM Online Services makes it easy to schedule additional items for pick up. Use WM Online to schedule extra bags, furniture, small piles of construction and mattresses.

Schedule a Roll Off Box

Waste Management has drop boxes ranging in size from 10 cubic yards to 30 cubic yards. Visit us online to view container dimensions and to schedule your next drop box.

Schedule an Electronic or Appliance Recycling Pick Up

WM Online provides you with a list of options right at your fingertips; from online scheduling to the closest drop off locations.

Schedule Yard Waste Pick Up

Waste Management's Yard Waste Season runs from mid April through mid November.

There are two options for Yard Waste Service:

- Weekly Yard Waste
- On-Call Yard Waste

Now you can handle all of your Yard Waste requests online.

**It's Simple.
It's Convenient.
It's Waste Management.**
